RE: Policy Holder Notice  
Change in Coverage

Insured: *Your District*

Policy Number: *Your District's Casualty Policy Number*

Dear DMI Member

The Board of Directors has determined that your renewal policy will provide coverage on a more limited basis in a specified area. The coverage reduction, effective 7/1/05, will exclude any and all coverage associated with the operation, use, or maintenance of 15-passenger vans.

The above information is intended to assist you in making an informed decision regarding your continued insurance coverage needs. Please contact this office if you have any questions about the renewal of your policy.

We look forward to continuing our relationship and fulfilling your insurance needs.

Thank you for your business.

Sincerely
